NGV Kids On Tour is an NGV initiative which invites children and families throughout regional and metropolitan Victoria to engage with art through a range of free hands-on activities and workshops.

The 2019 workshops are inspired by past NGV exhibition, New York! New York! for Kids, as well as current exhibitions, Escher X nendo | Between Two Worlds, and Being Human: William Wegman. Visit the NGV today to see Julian Opie and special kids exhibition, Julian Opie: Studio for Kids.

NGV Kids on Tour is generously supported by Krystyna Campbell-Pretty and the Campbell-Pretty Family, The Truby and Florence Williams Charitable Trust managed by Equity Trustees and Official Supplier, Canson Australia. NGV Teens is supported by The Ullmer Family Foundation.

Looking at the exhibition SPLASH we will see a large variety of works, the ways in which artists have been inspired and how different artists have created their works. We will then explore and experiment with a range of different techniques using watercolours, creating several works to take home.

Dress for mess and bring water and a snack.
