

Winter school holidays 2019

100 STORY BUILDING IS VISITING MCCLELLAND AGAIN!

1/2 AND FULL DAY OPTIONS

A fantastic opportunity to work with the creative team at '100 Story Building' in one of their story making workshops that promote idea generation, risk-taking, creative expression and confidence. 100 Story Building collaborate to create stories in many different formats and have FUN WITH WRITING!

Tales of Time-space Treasures

We can't keep it a secret anymore, the grounds of the sculpture gallery are being used as storage!

Different civilisations across time and space are opening portals on our lawn and sending us their most prized treasures.

We've got monuments, statues, vehicles, communication devices, and giant baby toys - at least we think that's what they are?!

Come and help us work out what they are stashing, why they are hiding it and who is using this place as an inter-dimensional car park.

We are bound to discover some juicy stories!

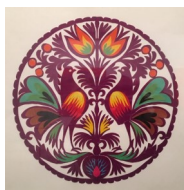

Full day program 9am to 4pm

Thursday July 4

9am—4pm Light morning and afternoon tea provided. BYO water bottle and nut free lunch.

Cost \$ 135 book here. <https://www.trybooking.com/book/event?eid=514625&>

After working with 100 story building in the morning you will spend the afternoon creating and making. Be inspired by the exhibition Josef Stanislaw Solid Light and his polish heritage as you create Polish inspired Wycinanki (paper cutting) and a Pajaki Chandelier.

Half day program

Dates: Friday July 5

9 am - 1pm 100 story building workshop

Cost \$ 75 per workshop. Fruit provided for morning tea. BYO water bottle and nut free lunch.

Age 7+ booking and pre-payment essential book here: <https://www.trybooking.com/book/event?eid=514628&>

Bookings through Try Booking:

McClelland's guilds drop in and see

Did you know that McClelland is also home to a great group of community guilds?

Come and see what they do as they demonstrate their skills and join in some of the fun activities they are offering.

The Guild of artists and the Lapidary and gem club will be set up on Tuesday July 9th and the spinners and weavers and the woodturners will be here on Friday July 12. You can drop in any time between 11 and 2 pm to see demonstrations and hands on activities and get a great idea of what these groups offer.
