

SENSES: art, nature, and play program for Early Childhood

Senses offers early childhood groups a playful experience of art, creativity, nature, and sensory exploration within McClelland Sculpture Park.

Important Information

Ages: For 3-5-year-olds, Senses is delivered to inspire creative learning and exploration tailored for kindergarten groups.

Cost:

Free for Early Learning Centres and kindergarten located in the City of Frankston.
\$6 per child for groups located beyond the municipality.
Teachers and chaperones are free of charge.

Days: the program can be booked on Wednesdays and Thursdays, and certain Fridays.

Start times: from 9.30am

Length: 1 to 2 hours (depending on your group needs)

Group Numbers: 25 per group maximum (2 groups can visit together by arrangement)

The Experience

Welcome to McClelland- Acknowledgment of Country and First Nations People
Interactive Sculpture Walk
Art Play in Nature and sensory experiences
Creative Learning Workshop

Pre and post visit with educators or families

All children receive supporting learning materials to further explore their creative journey and exploration of McClelland with either their educators on the day, or families on a return visit. This includes a sensory trail map and art material.

How to book: Please complete and email form found on page 2 and send to education@mcclellandgallery.com

Please note that this program will strictly comply with current Victorian public health advice. If excursions are not able to take place due to restrictions, groups will be given the choice to cancel or to re-organise their excursions at a later date.

This program is proudly supported by Frankston City Council.
